

PRESSURE SWITCH DUAL SEAL CERTIFICATION CONVERSION PROGRAM

Does your pressure switch meet CSA Dual Seal Certification?

- Your Argus switch **MUST** be stamped with the words “Dual Seal” to comply with CSA regulations.
- Any Argus pressure switch manufactured before October 4, 2007 will **NOT** be Dual Seal Certified.

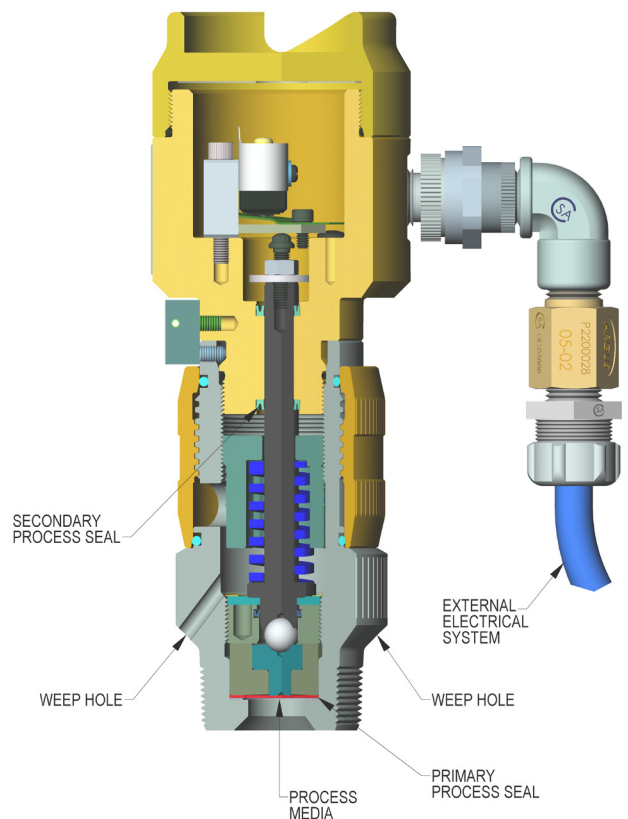

PROGRAM DETAILS

- Pressure switches in need of refurbishment would be sent directly to Argus for assessment.
- All necessary components to convert the pressure switch to dual seal will be replaced.
- To complete the conversion, we will add a subsequent nameplate. The additional nameplate will be stamped with the Dual Seal Certification.

PROGRAM COST

Basic Repair & Certification - \$250

Additional charge for repairs requiring more than the basic components to upgrade the pressure switch
